Carmel Eateries

Mom and I are always up for a good meal. Even though we don't always like the same dishes, our unanimous dinner winner was **Basil Seasonal Dining** on San Carlos Street (831/626-8226), which serves inventive seasonal cuisine such as a chili-crusted ahi tuna salad. For lunch, we loved **La Bicyclette** at Dolores Street and 7th Avenue (831/622-9899) for its turn-of-the-century French ambience, duck confit crepe, and impressive wine list.
